

**I Get To Have It All, On My Terms, Or Something Even Better!!!**

## **My Soul Inspired Life Blueprint**

I am so happy and grateful now that my business has grown into a highly successful, thriving, and impactful coaching and healing business, where I get to work with amazing clients. Each of my clients are experiencing massive transformation and growth in their life, themselves, and even in the work they do.

My business is now growing all on its own, and it is just so amazing how much impact I get to make through my coaching and healing, and even my online program.

Each day when I wake up in the morning, I am in such bliss and gratitude about how much my business and my income has grown. I now easily make \$30,000 each and every month, ever so increasing. This income comes to me not only through my coaching clients but my online programs, and even my YouTube channel.

I am now a globally known and respected spiritual teacher, mentor, and healer that gets to impact awakening souls across the globe. My business now gives me the opportunity to travel to exciting places, to grow as a leader, entrepreneur and a spiritual mentor and teacher.

I am so happy and grateful now that I finally am the impactful coach and healer that truly gets to impact all these amazing souls that I am here to assist in their spiritual awakening and inner healing journey. Every one of my clients are dear to my heart, they are so much fun to work with, they are eager to grow, and they also do the work to transform themselves and their life's.

My business has truly changed my life in ways I would have never thought possible. My business and the work I get to do deeply fulfills me, excites me, energizes me and most of all, it brings the best out of me.

I am truly blessed that my business now fully supports the lifestyle I want to live, the freedom I desire, and the growth and expansion I always wanted. But most of all, I now get to impact millions, and am on my way to also make millions through doing my souls work, my passion work, the work that fulfills me to the core of my being.

### **My Financial & Freedom Destiny**

I am so happy and grateful now that money flows into my life with such ease and in ever so increasing amounts, and multiple, even unexpected sources. The universe is truly taking very good care of me, and I now too am in absolute alignment with money, abundance, prosperity, and wealth.

It is so effortless when it comes to manifesting money. I now am creating a monthly income of at least \$30,000 each and every month and it is consistently increasing. I just love how easy money is now flowing into my life.

But the best thing is that I get to create this financial abundance through doing my beautiful soul work, the work that I deeply love and that fulfills me in ways I never thought possible. Money flows in effortlessly in ever so increasing amounts, whether through new clients that want to work with me, through my online programs, through YouTube, or other sources that sometimes I don't even know where all the money is coming from. I am just so amazed how easy I now manifest money.

## **I Get To Have It All, On My Terms, Or Something Even Better!!!**

Which of course is then also allowing me to enjoy my life in ways I always had dreamed about. I get to travel to exciting places. And yes, I am flying first class! I stay in beautiful hotels, resorts, and cabins that take my breath away. I travel regularly not just because of my business, but also for fun. I take multiple vacations every year, even if it's just a longer weekend getaway.

I am now free of all bad debt, have hundreds of thousands in savings, investments, and cash available to me. And all this increased wealth and financial abundance comes to me with such ease, and it feels so amazing how wealthy I am becoming.

I feel so worthy and deserving of all the financial wealth and abundance I now experience. I am so in love with money, making money, and reinvesting it back into my business to make an even bigger impact. I have embodied the deep knowing that money will always be there in abundance. I love money and money loves me.

### **My Spiritual Growth Destiny**

I am so happy and grateful now that my gifts have developed in ways that leave me in such awe and wonder. My connection to the higher realms has strengthened and developed so much that I am deeply connected to my team of guides, the beings of the light, and even spirit and the other side.

I feel so loved, deeply connected, and uplifted by my team of guides. I truly feel a sense of belonging, of having come home. I am just in so much bliss and ecstasy about the work I get to do, the work I get to do with my divine team and the work that is being expressed through me.

I now fully surrender to this higher power that is guiding me every step of the way, trusting that whatever guidance I receive is exactly what is meant to be, and that it WILL work out in just that way and even better than I can imagine. I trust fully in myself, my gifts, and my divine connection and have completely stepped into and embodied my purpose of being the Divine Messenger and Celestial Healer.
